YOUR TRUSTED PARTNER IN PROCUREMENT SOLUTIONS

# WHO WE SERVE

## It's what we are here for

At our core, we are committed to serving a diverse range of industries, each with its unique demands and requirements. Our services are tailored to meet the specific needs of these sectors:

### ✓ Oil & Gas

The oil and gas industry includes the global processes of exploration, extraction, refining, transporting (often by oil tankers and pipelines), and marketing of petroleum products. This is a significant sector in terms of its global economic importance and its role in energy supply.

### ✓ Procurement Industry

This sector involves the process of finding, agreeing to terms, and acquiring goods, services, or works from an external source, often via a tendering or competitive bidding process. Companies in this industry serve clients in various sectors by helping them manage their purchasing and supply chain processes more efficiently.

### ✓ Energy

This broader sector encompasses not just oil and gas, but also renewable energy sources like wind, solar, and hydroelectric power. Companies in this sector are involved in the production, distribution, and sale of energy.

## UNLOCK SAVINGS, OPTIMIZE EFFICIENCY, PROCURE WITH CONFIDENCE.

**ANYTHING  
YOU WANT  
WE WILL DO  
THE BEST  
FOR YOUR  
PROJECT**

### ✓ **Transport & Transport Companies**

This sector includes businesses that are involved in the transportation of goods and people. This can range from logistics companies that move products around the world to public transportation systems that move people within cities.

### ✓ **Business & Financial Services**

This sector covers a wide range of businesses that provide services to other businesses. This can include financial services like banking, investment, and insurance, as well as professional services like consulting, legal services, and accounting.

### ✓ **Healthcare services**

This can refer to healthcare services, including hospitals, clinics, and long-term care facilities, as well as home health care and other personal care services. It's a sector focused on improving and maintaining the health and well-being of individuals.

### ✓ **Government**

Serving the government sector means providing goods, services, or support to various government agencies and departments. This can range from defense and security services to infrastructure development, education, and public health.

## AND WE LIKE TO DO IT PERFECTLY

Al-Mawred Investments LLC, an emerging player in the energy equipment procurement industry, offers dynamic and efficient solutions for international oil and gas companies. Our services blend global sourcing with prompt responsiveness, ensuring superior outsourced procurement and logistics support.

### **Mission**

Our mission is to lead the energy equipment procurement sector, empowering clients in the oil and gas industry with robust and effective alternatives to in-house management. We are dedicated to delivering superior outsourced services that combine global sourcing expertise with significant buying power for streamlined procurement.

### **Vision**

Al-Mawred Investments LLC aspires to redefine energy equipment procurement for the international oil and gas industry. We aim to set new efficiency and cost-effectiveness benchmarks, optimizing our clients' time and resources for success in the global energy market.

# THE SERVICES

Our comprehensive range of services includes global sourcing, management services, and innovative trade solutions. We cater to the specific needs of the oil and gas industry, ensuring that all procurement requirements are met with the highest standards of efficiency and reliability.

## Procurement Services

Our procurement services offer a complete spectrum of solutions, ranging from meticulous invoice settlement to the full extent of procure-to-pay processes. We ensure a seamless, efficient, and transparent procurement cycle, enabling clients to optimize their purchasing strategies, manage supplier relations effectively, and achieve cost savings.

## Logistics

Our logistics services extend beyond the realms of procurement. We focus on enhancing the operational efficiency of our clients' supply chains. This includes optimizing transportation routes, managing inventory levels effectively, and employing advanced analytics to predict and respond to market demands swiftly.

## Warehouse Services

We provide robust warehousing solutions that are integral to strengthening your supply chain. Our warehousing services encompass strategic storage solutions, inventory management, and efficient handling of goods. We ensure that your products are stored securely and managed efficiently, reducing lead times and improving overall supply chain performance.

## E-procurement with COPS System

Our E-procurement solutions, powered by the AL Mawred Online Procurement System (COPS), offer a streamlined purchasing experience. This system simplifies the procurement process with features like automated purchase orders, real-time tracking, and integrated supplier management. It's designed to reduce administrative burdens and enhance the efficiency of your purchasing.

## Manpower Supply

Al Mawred provides skilled and unskilled workforce solutions tailored to meet business needs across various industries.
